| SOLUTIONS FOR TOMORROW |

INTERNO DESIGN STUDIO
INTERIOR DESIGN | ARCHITECTURE | LANDSCAPING

Based in Muscat, Oman. The Design Studio combines extraordinary talent and experiences to create spaces, nationally and worldwide, that can be as “cutting edge” or “timeless” as the exceptionality of each of its Clients.

INTERNO DESIGN STUDIO

Is an interior and exterior design firm with expertise in residential, commercial, hospitality, retail, healthcare and beauty projects.

PHILOSOPHY AND DESIGN CONCEPT

**Refer to sustainable design direction,
Design concept will be based on:
learning from nature (environment and
human considerations).**

IDS is committed to achieving the highest level of design with a “turn-key” approach through their services offered. Our designers successfully participate in projects from the initial concepts, furniture and decorative item selections, decorative material selections, construction document production, budgeting, city submittals, project coordination – always with precision, professionalism, attention to detail, exceptional customer service and expert project management skills.

The firm is consistently recognized for its business acumen and its variety of innovative design solutions that impeccably blend functional and esthetic needs.

VISION MISSION

The vision of our experienced team is to become the most creative and customer oriented design firm that is able to interpret and translate a client's vision into design expressions that are both distinctive and practical.

INTERNO's mission is to create design expressions that are creative, yet practical; distinctive, yet affordable within a working environment of exceptionally rewarding interpersonal client relationships.

INTERIOR DESIGN

In Interno Design Studio we are design highly innovative and contemporary interior design that meet our client expectations. And we offer many types of interior design such as the following:

| Residential interior design

Because we are in Interno Design Studio believe that the home is a personal space that people like to make it more intimate. We offer highly innovative and contemporary residential interior with elegant touch according to the taste and personality of our clients to suit their needs.

| Commercial interior design

Commercial interior design is about designing and developing unique and immersive interiors for commercial environments, from Small Shops to the Shopping center, restaurants etc. we work closely with our clients and their brand teams to build compelling, relevant spaces.

| Corporate interior design

We are in Interno Design Studio we design office spaces, such as administrative offices, labor offices and meeting rooms and other office space and also we convert the stores to offices and places of work, which makes the company appropriate and beautiful environment to work This is one of the services we provide in Interno Design Studio.

| Office interior design

We are in Interno Design Studio offer the design of offices to make it more elegant and luxurious to meet our client's taste and requirements.

| Educational interior design

We are designing the interior of educational institutions like schools and colleges. This involves a lot more than just furniture and color schemes. The aim is to keep it professional but yet attractive in its own way.

| Hospitality interior design

Hospitality interior design is one of Interno Design Studio services, we are designing venues such as hotel, hospital and clinic. It involves designing the layout of lobbies, color schemes, lighting, furniture choices all of which is done keeping in mind what the guests should feel when they visit the venue.

SUPERVISION

In Supervision Services we are provide for our clients the Supervision of place to see if work is being done according to pre-set plans.

CUSTOMIZED FURNITURE

customized furniture is one of Interno Design Studio services, we are implement this services according to the specifications and requirements of our client. The benefits are that the client can have exactly furniture that's they are looking for from styling to comfort to color plus the client will have his own unique furniture. Also it will be unique and stand out by having custom made furniture which no one else owns.

CONSULTANCY

In Interno Design Studio we are giving expert advice on a specific field of work. A consultancy firm charges a particular price to give the best advice that benefits the business.

EXECUTION

One of the services that we provided in Interno Design Studio is to carrying out of process or applying a plan, order or course of action. Once the plans are made the next step is to execute them i.e. to implement the plan in reality.

ARCHITECTURE

We are offering architecture design that include designing buildings, communities, monuments, open areas etc. It is usually done keeping in mind the aesthetic effects the contractions should offer. It also includes choosing the furniture and decorations and supervising the construction work according to the pre-made design.

LANDSCAPE

Landscaping is one of Interno Design Studio services which refers to any activity that modifies the visible features of an area of land. It requires expertise in artistic design.

ANIMATION

We are in Interno Design studio make our clients able to see their own project executed and fully ready before they even start it in reality also makes them walk around their project as if it's real.

ADVERTISING BRANDING AND DIGITAL DESIGN

We have an integrated creative advertising department , offering the full advertising and digital creative services, such as branding, social media management, webdesign, printing, photography and tv production.
