Truly Nolen Pre-Treatment Method

Truly Nolen Treatment Method

- ▶ Chemical use is not our primary means of control. We take a holistic view of the problem , then we put into place our procedures.

Our pest management program revolves around the following points:

- ▶ Intensive **Inspection** of premises.
- ▶ **Identification** of pest species.
- ▶ **Determining** how the control can be accomplished in the best way.
- ▶ Establishing a **Control Program** based on findings.
- ▶ **Communicating** with your representative.

Truly Nolen Treatment Method

using of Integrated Pest Management that does not rely only on chemicals to eliminate Pests, but takes The Pest Management in broader perspective. Thus, we observe and follow the Three Basic Steps in attaining our program:-

- ▶ **SANITATION**
- ▶ **MECHANICAL EXCLUSION**
- ▶ **ELIMINATION BY USE OF SAFE PRODUCTS**
